Carol Hicks lit a candle in honor of Sandra.

Ashley, My deepest sympathies and condolences to you, your father and brother. I can't begin to imagine the loss of your mom. For as long as I have known you, your mom has been not only a mother, but your dearest friend and confidant. When I met her several years ago, you could see the love and pride she had for you and your brother. I know you will have to be strong for your father and Jason, I just hope you lean on your friends during this very difficult time. So many have never experienced the loving, loyal, respectful, funny, protective bond that you and she had. I envy that. What a blessing to have had such a close, loving relationship. She will always be with you all, watching over her family as now your guardian angel. Our thoughts and prayers are with you all. Carol and JD
