My thoughts and prayers are for such a beautiful family It was our pleasure to get to know all of you in 2013. Ed and Lou were such a good example of staying active and dedicated to each other for so many years. Before Terry passed away, he and Ed would visit by phone after he relocated. The world again has lost a very special personality!Ellen Kipp

Ed Ellis, was a founding member of the Orlando Executive Committee of the Institute of Electronics Engineers, (IEEE). He joined IEEE as it merged with IRE as the worlds largest Professional Engineering Organization. He actively supported this Central Florida group many years, becoming Chairman of the Orlando Section from 1983 to 1984, with over a thousand professional members. He was intrumental in organizing many technical conferences for local Florida engineers. I was honored to have known him as friend and mentor. He will be missed.Geoffrey E. DickWinter Park, FL
