I will always remember what a great guy Marty was, not only as a boss but as a very dear friend. He would always pick on me, but he said it was cause he loved me. We always had drinks together at the bar and many good conversations. He was an amazing chef. Always cooked an outstanding meal. This world lost a wonderful man and heaven gained another angel. Jane, my heart is with you at this tough time. I'm sending prayers and hugs to you and the kids. I am so deeply sorry.

I am sorry to read of Marty's passing. To read of someone passing who I remember of being so upbeat. I remember Marty from his visits to the Watertown Restaurant Supply. He always had a smile and was a great person to wait on. He made many a great meal at the Carriage a House and 1812 Restaurant. To Jayne and your family, condolences from the Donoghue Family.
