Hello Eileen,I've just now found John's obituary. It's been four months and I know you are going through some sad days and hopefully many more fond memories. He has such a friendly looking face.LHS '52 is planning for our 65th class reunion for Saturday, August 26, 12 - 5 at Leavitt Park in Lakeport. I wanted to give you a "head's up" so you just might be able to plan a trip "home" at that time.I am enjoying your posts on Facebook.Your classmates are sympathetic to your loss and ours of a classmate.Love,Dorothy

Johnny was a really good man who I considered to be my friend for over 55 years. He always had a smile on his face and had an infectious laugh. He always tried to treat the customers right at the station. I bowled on the team sponsored by the station for a number of years. Generally, after a night of bowling, Johnny, Junior and myself, ended the night at the Diner at the corner of East Bay Drive and Hwy US 19. We had a lot of fun together. I spent many hours around the station when I wasn't working. I was there when they returned from Tennessee with their first wrecker which I think was a used 1946? Chevy. I'm sorry to say that we sorta drifted apart as our lives took different turns. Over later years I stopped by the house a couple of times and as always was well received. We always said "Lets get together again soon" but that time didn't happen. My wife and I wish to express our condolences to Eileen and the family during this difficult time. May Johnny rest in peace. I will always remember waiting for Uncle John to arrive for his summer visit to NH. When we heard the trumpet horn on his car we would run outside and there was the station wagon coming over the road. We had great summers. You will be missed. Carol Weeks Chabot

Grandpa was a genuine person. So full of life and character. A man who always kept himself busy with working and hobbies but always made time for friends and family. He was a man of many skills and talents that most would admire. He was a kindhearted, selfless man that would give you the shirt off his back if you needed it more than he did. Grandpa was loved by all. He will forever be missed! God only takes the best... Well He definitely got that with Grandpa! We love you Grandpa til I see you again. Rest In Peace Marc Brooks
