Dear Glenn, Ben and Lisa, Please accept our sympathy in the loss of your dear wife and mother. We are having a Mass offered for Dolores by our cousin (and her cousin), Father Val Bartek, in Osceola, Nebraska. We will miss keeping in touch with Dolores by mail throughout the year. We have missed seeing her and Glenn since they moved away from Nebraska. I will be forever grateful for the help that Dolores was for me in putting together the Bartek genealogy book 8-10 years ago. Glenn's computer savvy was very much appreciated in those earlier years of gathering family data and photos. Be assured of our love and prayers for Dolores and for you. God be with you and comfort you! With love, prayers and sympathy, Warren and Elaine (Bartek) Davee

When we met Dee & Glenn, we had no idea what a rare, treasure God was blessing us with. These incomparable friends soon became beloved family members, sharing holidays, other special events & countless "ordinary" days. We miss our wonderful neighbors, who moved here from Kansas City, but truly thank our God for every remembrance of them. Sincere condolences, Ben & Lisa. We hope you'll keep in touch with your family still here in Clearwater.

Ben, I drove by your old house today in Kansas City and said a prayer for your family. I loved your folks when they were here in the Raytown area, and they were always so kind and delightful and supportive of their son. We still miss you all being here in KC, and now I will especially miss Dolores. I know she is in Heaven looking her best, as she does in this photo. God bless you all.

Ben, we are so sorry to hear about your mom. They have had so much bad luck with their health. I'm glad Ray and I got to visit them the two times we were in FL. The last time your dad was in the nursing home but she was doing good. Our deepest sympathy to you and your wife. Ray and Connie (Szudlo) Flood
