As the principal of St. Anthony of Padua School, Parma, OH, I hired Barb to be a sixth grade teacher. Barb was fresh from PA and looking to put down roots in Ohio. As a teacher, Barb made many friends with faculty, families, and her students who loved her dearly. She touched many lives in so many ways with her genuine care and loving ways. When my wife and I married we included Barb in our wedding party. She was a part of our special day and remained special throughout her life. We are grateful to have had the privilege of knowing and loving her. Barb will remain in our hearts forever. Frank and Rita Kuhar

Barbara has always been there to laugh with me, to be proud of me and to be happy for all the good things in my life. And more importantly, she shared my disappointments and listened as I worked out my thoughts and feelings about so many things that troubled me. She was an important part of my world. Barb will be missed by all that knew her, especially her dear family, which she loved very much. Sincerely, Pat Baughman
