I will always remember Joy for her compassion toward animals, especially Cats. We shared many cat stories. I will miss our conversations. She was so matter of fact and right on about everything. Carol Caponiti remember, as kids, Joy always making us laugh. She would pretend to be a cowgirl and told us she went into a saloon and ordered two beers. We asked her why two. She said, "One for me and one for my horse!" We have many other fond memories at the beach house on Indian Rocks Beach. Cousin Robert
