I am shocked and deely saddened by the news. The Morrisons were my "other" family growing up in High Bridge. Keith was another big brother to me. I have so many good memories. My heart goes out to the entire family. I will pray for you. I love you all. -- Keith, you will live on forever in my heart and memories. I know you are in a good place now.

So sorry to read about this. I wish I knew he lived so close for all these years. I knew Keith from High Bridge. Another good friend, Bob Hall, introduced me to him. I have been traveling from Indialantic to Tampa every three months for the past three years. So close yet so far. God bless you Keith and have a cold one with Hally!

Keith was such a smart & beautiful person. I can't believe he is gone. I remember playing on the swing set with time as a very young child & later babysitting occasionally. The last time I saw him was probably at our reunion. I wish I had kept in touch. So sorry for your loss Frank, Kathy, Kim & Kathleen, as well as his children. I hope you all hold your loved ones a little closer. Love you all, Sherry(Mannon) Wall

Keith was my lab partner in college and a colleague at TRAK Microwave for a couple of decades. We traveled on business together and had occasional deep personal conversations about love, faith, fatherhood and life. He was my friend and a good man with a kind heart. Hard to express how much he will be missed. Prayers to the family from Ginny and I. In Christ Bill Graves
