Ann was a Rock. She was resilient & life-loving! She never liked to miss a good time. She always seemed grounded & didn't mind that life was imperfect. She always mothered her core peeps, her husband, her children & extended family of "adopted" children. She never liked to come to the Dr very often, and when she did, she wanted to be low maintenance. She was always warm & endearing. It never seemed like she would ever leave. She is loved and will be So missed I love you, Ann! Your legacy continues on thru your beautiful daughters. Peace be with you, Bob. Ann will always be near you! Love, Jennifer (Hayes)

Ann shall always be one of the most significant beams of light in my life! I speak not just for myself, but my entire family.... Love Dawn
