Peggy Q was a delight to visit. She was quite engaging, had a wonderful sense of humor, she was just such a wonderful woman to chat with about whatever was on her mind. We talked mostly about dogs and her family. Peggy loved grape tomatoes, cut in half, with salt and butter pecan ice cream with caramel sauce. It was my privilege to spend time with her and meet such a lovely lady. Carol Levin

To all of Peggy's family but especially Kathryn and Carol, My memories of "Aunt" Peggy are all happy ones. I enjoyed so much every time we had get-togethers and dinners outside by the pool at Carol's. I will never forget the laughter as we played Pictionary many years ago with Grandma Reed, Peggy and Kathryn! I know how much you will miss her but am thankful she is at peace in God's arms now. Blessings for peace in your hearts and healing from this loss. Love, Shirley Ziegler
