Joyce L. Ostrander

JAN 1, 1931 - JUL 25, 2017

Joyce L. Ostrander, was born New Year's Day, January 1, 1931 and lived a full life until July 25, 2017. Joyce, a Safety Harbor resident, is survived by four children; Sabrina Peacock, Kim Dickey, Park Alsop and Mary Berry.

Joy lived a life driven by the Golden Rule, the more accessories the better, chasing a deal at a local consignment shop and her deep love and respect for her children and friends. As we put our Matriarch, our protector and our Mom to rest, we can all look upward and smile knowing she is watching over all of us.

In lieu of flowers, I know Joy would much rather see a donation go to her favorite charity; The Humane Society.

Joy was more than a cherished friend, she was my soul-sister, muse, mentor, roommate for eight years and so much more. We met 37 years ago and I do not have a single memory, since that day, that she was not a part of. Everywhere I go in Clearwater, Joy and I were there, (at one time or another), making wonderful memories for me to hold on to. Places like Les Partners with all the gang every Friday night for years, and places that are no longer there like Stuabakers, New York, New York, T-Bones and Joy Land. Plus our favorite places like Clearwater Beach at Life Guard Station 5, Treasure Island Beach for every Holiday, Consignment Store's and Thrift Shop's from Treasure Island to Palm Harbor, special restaurants, etc. She was responsible for my first meeting with John, my boyfriend of 27 years, and also gave me a relationship with her wonderful family, that I will never give up.....they will always be my adopted Family whom I love very much. For that legacy, I will be forever be grateful. Joy may have left this earth but she made sure that the ones she loved would never be alone. Her SPIRIT is everywhere and I know she will be keeping tabs on us....until we are all together again. Joy, I will miss you everyday, but all I have to do is go to the beach and I know you will be there to take a walk with me and reminisce.....how about tomorrow? Love you, Jan OXOXOXOXOXO

I met Joy on July 26, 1990. She was with her girlfriend Jan at New York, New York, the now demolished nightclub on US 19 in Clearwater.. Joy noticed me dancing and said she was going to ask me to dance. Well.... I spotted Jan who is now my girlfriend of 27 years. Joy was happy to take the role of my next best girlfriend. The three of us had many wonderful times. Once, Joy, Jan and I went to Busch gardens. I kept bugging Joy to go on the roller coaster with me. She did and IMMEDIATELY swore NEVER to go on a roller coaster again. Joy, I know that someday we'll be together once more.All my love (don't tell Jan)John Gaunt
