I miss you everyday brother... I wish my best friend was still here everyday. I miss our talks. I never thought God would take you away from us like that. But I remember our last conversation like it was yesterday. Everything we talked about I will make it happen. Love you Big Brother and Friend. RIP Fly high I still feel you around me all the time. As a teenager Kenny was a BEAST athlete. There was nothing he couldn't do on any field of play. He spent a summer at a sports camp I ran. He absolutely dominated and CRUSHED any and all competitors. I was so proud of him. He was FEARLESS. I'm not saying it was a picnic trying to keep him in line, and we butted heads quite often that summer. But in the end, I was so happy we had that time together. I will forever remember you Kenny with PRIDE & LOVE. Rest easy, Kenny.
