Such a beautiful tribute! I was just reviewing a letter that Kim wrote to me in 1983. We had lost touch since being buddies in junior college and I just now tried to Google her and found this. I wish I could've said goodbye. I have very fond memories of her in Los Altos, California. Sally Yates sallyates@gmail.com

So many memories! I couldn't begin to type them all here. Loved the video tribute. My prayers are with you all as you, once again, prepare to live life without part of the 7 of you. May you find peace in knowing they are taking care of each other in another place...I have no doubt. Love and Miss you.
