Those we love remain with us for love itself lives on, and cherished memories never fade because a loved one's gone. Those we love can never be more that a thought apart. For as long there is a memory, they'll live on in our hearts. So many wonderful memories of Peg that I can't even begin to choose my favorite. She was so vibrant and full of spunk. She kept you on your toes, never knowing what she was going to say next. I admired her greatly and had a lot of fun getting to know her. Peg will live on in so many of our hearts. Thoughts and prayers to Terri and Jim.

Aunt Peg always had a joke, with her Texas accent you couldn't miss and a laugh you loved ❤️ to be around. She had a love for ALL people that radiated from inside out. Did I mention she was kind , thoughtful and generous. 🍀 We will never forget our wonderful aunt. Karen and Bill
