Terrance is an incredible person.. I remember in 6th grade I started riding the bus to Seminole middle and didn't know a single person. I was extremely shy and very nervous.. then I met T. He sat behind me on the bus and always made a point to talk to me and make me smile. Out of every friend I made after 1 year he is the only one I have kept in touch with.. We ended up in Largo High School together and he still acknowledged me when others didn't. He has a pure soul and truly cares for others when everyone else turns their cheek. He will always have a place in my heart. God bless his family and may they know if they need anything at all, I am here and will help. You raised an amazing person. May the Lord bring you peace and healing.

Lisa & Family, We understand this must be an extremely difficult time for you all. To lose a love one, especially at such a young age can only be best described as devastating. We know there isn't much comfort in words right now but believe that God is in control and has his reasons for calling "T" home. No more pain and suffering. We will keep you all in our thoughts and prayers. Please remain strong and faithful. Remember God will not take you where his grace cannot protect you. With Love, The Brown Family.

Deepest sympathy to My Family for The loss of My Nephew, Terrance Bryant. T has a kindred spirit. He was kind & very polite. He was also very talented. He loved to sing, dance, an artist, and he like to perform. He will truly be missed. May God continued to Bless & Keep our family in our time of Bereavement.I will love for My Family to keep memories of Terrance in Our Hearts & Minds. I would like to Thank God for being in T's life. I knew he definitely had a personal relationship to Jesus. During his sickness, he knew that God was there. I know that God came on September 18th & pick a beautiful plant/flower. Terrance was that plant. He is now at rest. Awaiting for that great day, when Our Saviour returns.T will truly be missed. Sleep on "T", I thank God for your healing. No more pain, no more doctor appointments, no more chemo, no more radiation. Terrance , you are now at peace. I will see you again on the other side. Love ya, Auntee Jackie.

Thank You, Lord for the life of my nephew. He came in a tiny package, but had a big heart. I'm grateful for the time that we had together, and I will always cherish the relationship he had with James and Deja. I can still hear him calling my name and will hold our conversations in my heart. He fought a brave fight, and though we may not understand why he left this physical life so soon, he will be with us in spirit until the judgement. Fly high, Terrance. I love you beyond this life. I'm so glad I was able to tell him that. Lisa: I love you, and I pray God's immeasurable peace for you, Terrica, Terry, Steve, and the rest of our family. There is a void now that only God can heal. He's gonna do that in time. I love each of you.
