Carol Wright posted:

David, Todd, Kelly, Kaitlyn and Natalie, There is not much more that I can say about your Father, that you don't already know! Except how special he was to me, and how grateful I am that he was in my life. You have a wonderful family and you let me be a part of it. Thank you from the bottom of my heart. David was and will always be a true heart, lived every moment of life to the fullest, with such honor and integrity. He loved deeply, and forever, uniquely so. His highlight was when he was spending time with you boys, you kept him going, you were the ones that gave him what he needed to be who he was, although you didn't always see it, it was always there. He was so proud of you both! He brought much joy and love to my life in a time of need for me. Even though our romantic relationship faltered, our friendship never did. David will be greatly missed and wonderfully thought of, he has a spot in my heart that only he can fill. I thank God for David and I crossing paths in this lifetime. It was a privilege knowing him, I will look forward to the day we will meet again. Funny Story: Lexus (my maltese) and I stopped by your Dad's house in Dunedin, on the way to Jacksonville, since it was almost 4 hours away, he invited us to stay the night. Lexus wanted to sleep in bed (as she always did) but David wouldn't let her. In the morning, David caught sight of Lexus's 'I'll show you!!!' attitude, poop and pee in his beautiful bathroom. You should have seen your father's face!!!! It was worth millions!!!!!! May The Lord Greatly Bless You and Keep you! Love Carol Wright
