Mark Anthony Bellafiore

SEP 8, 1961 - OCT 30, 2017

Mark Bellafiore, 56, of Palm Harbor, Florida passed away on October 30th, 2017, due to heart failure. Mark was an accomplished medical engineer/designer. He made many patents that impacted so many lives. He had many hobbies which included making art, playing cards, a classic car enthusiast and pet owner. He married a beautiful woman in 1999, Wendy Boone and a year later had a daughter, Hailey Bellafiore. Mark is the son of Dorothy and Frank Bellafiore, Brother of Brenda Valen. Mark was always a kind and generous person. If someone needed help, he would always do his best, even when he wasn't feeling well. He was always a jokester and loved to have fun. We will forever miss his silliness and big heart. Mark was always a wonderful husband and dad. He encouraged his wife and daughter to follow their dreams no matter what. He was always there for them when they needed a shoulder to cry on or needed advice, no matter what it was. He always wanted to attend game night when he could with his family, he loved playing cards and board games with them. Mark was loved by many, never to be forgotten by his loved ones. Mark was always a religious man, putting his heart and soul in Jesus Christ. God Bless him.

Survived by loving wife Wendy, daughter Hailey; Parents Frank and Dorothy and his Sister Brenda.

Mark truly was a one of a kind person. Honestly the first time that I met him was when I was taking his daughter on a date. He looked tough as nails and was very intimidating. My first thought was "What is he going to do to me?" After that I started to hang out with his family more and more. I started to see immediately how much he cared for his wife and beautiful daughter. Over time he became sort of like the dad that I want to become and have myself. He showed his love for Hailey and Wendy every time he did something even if it caused him pain. He is the man that I want to become when I am older. The world lost not just a man, but a father, husband, best friend, confidant, and so much more. He is truly missed.

Mark, we will miss you as our caring and happy and smiling neighbor. Will miss seeing you outside in your chair "directing" Wendy with the yard work. Will also miss chats by the mailbox, which you never forgot to ask how I was doing. Elly and Greg DiGiovanni

I love you so much Dad. I couldn't ask for anyone better. We have so many great memories. I remember going to the LEGO store when I was little and we bought so many mini figures. We played all day long. I remember you cheering me on in karate and laughed when I took them down. You were always so helpful, you motivated me to do so much. You were such a caring and funny guy, I will forever miss your humor. Thank you for always being there for me, even when I did stupid things. I broke your heart a few times and I'm so very sorry Dad. I should have treated you better and I'm sorry for that but, I'll try my best to make up for it, even though I can't do anything physically with you now. Thank you for being such a wonderful father and amazing husband to Mom. We all love you so much, we will miss you but we will be strong for you. Goodbye daddy.
