Shirley A. Colvin

FEB 14, 1952 - OCT 16, 2017

Shirley Colvin, 65, of Largo Florida, Left this earthly home and went to her home in Heaven on October 16, 2017. Shirley was preceded in her passing by her earthly father Reverend Foster Piatt and her two fur babies Chelsea and Corey. Shirley is survived by her loving Husband Ray. Her mother Mary, a sister Ruth and a Brother Foster. Nieces Daniel and Jessye Rae, Nephews Adam, Joseph, John, Joshua, Jeremy and Justice. Step children Karl, Kathy, Kenny, Kyle and Kimberly. Eight grandchildren four great grandchildren.

Shirley received a bachelors degree in business management from the University of South Florida. Shirley was generous, kind, loving and some times stubborn. Shirley was an all lines insurance adjuster working for a personal injury law firm that nicknamed her Bulldog for her tenacity in achieving settlements that clients deserved. Shirley's last job was with Publix Supermarkets which she called her fun job. Shirley worked 7 years at store #867 on Fort Harrison near downtown Clearwater, fl. Shirley was the lady that gave out samples and recommended products and loved helping customers find and make wise buying decisions. Customers and fellow employees sorely miss Shirley's smile and gracious demeanor.

Shirley and I (Ray) met on the internet in casual conversation Late June 1998. It soon turned romantic and went from an ember to a roaring fire though we were separated by several states. I came to Florida and we were married August 1998 and the fire never died out. We went for walks on the beach, candlelight dinners, spur of the moment do something and fabulous vacations in the mountains. Unless we were working we were together. Shirley was a true Christian and demonstrated it in every facet of her life. I miss the Love of my life, my best friend and doing everything together. With her birthday on February 14 Shirley is my true valentine. We will meet again in Heaven.

Travis posted:

Shirley was one of the nicest people you will ever meet in your life. Seeing her at work everyday, and having her ask me if I was having fun, always put a smile on my face. Shirley is sorely missed, but I know she is looking down on us everyday and a little part of her will always stay with those that knew her. Travis Jayne

Diane posted:

Shirley is missed by all that knew her. Her smile at her station at Publix was expected. She always had a big hello and she had many who knew her, Shirley would inspect my cart and tell me what not to eat. I miss seeing her at the store. She can not be replaced. Diane Brinker
