Lorraine Alicia Beebe

SEP 29, 1970 - JAN 8, 2018

Lorraine Alicia Beebe was born September 29, 1970 in Battlecreek, Michigan and peacefully went home to be with her sister Kim and the Lord on January 8th, 2018 in Clearwater, Florida. Lorraine graduated from Nelson High School in Burlington, Ontario Canada and went on to become a dental assistant before she was diagnosed with MS. Lorraine was a caring and loving person that was loved and admired by all that met her. Her faith was as strong as her will was to please everyone. She loved cats and had a special bond with her cat Poobah that has also passed over the rainbow bridge previously. She enjoyed being with family and friends most and is survived by her mother and stepfather Cindy and Marty Adler, her father and stepmother Ken Beebe and Candace Powers, her brother Frank Beebe, her sister, husband and nephew Dawn Beebe-Algarin, Chris Algarin and Connor Algarin and Kim's children Kaylynn Garry, DJ Stewart and Kyilee Bachelor. In lieu of flowers, please donate to the MS Society and/or the Florida Cancer Specialists and Research Institute.

Marc Sullivan posted:

The very purpose of our life is happiness, which is sustained by 'hope'. We have no guarantee about the future, but we exist in the 'hope' of something better. 'Hope' means keeping going, thinking, 'I can do this.' It brings inner strength, self-confidence, the ability to do what you do honestly, truthfully and transparently. The Universes life force, 'god', is endlessly un-understandable, wondrous, beyond imagination, and yet as simple as to the core of human kindness. 'god' has been very good to me...'Hope' is a good thing, maybe the best of things, and no good thing ever dies. Dalai Lama / Ellis Boyd Redding

I did some Housecleaning for Lorraine quite a few years ago. She was such a Joy to talk with. We talked about our cats! She loved her cat so much. She was an inspiration to me , especially with her condition. However, she was strong willed and upbeat. I was fortunate, to have met her, for that brief period . Lorraine certainly earned her wings. She is an angel now. Rita

Our prayers and our thoughts are with Lorraine's family as well as those who knew her. I first met Lorraine in Florida at her mother's birthday celebrations before Cindy and Marty had moved to Georgia. Gail of course had known her back when the younger kids were involved in soccer many years ago in Burlington. This past April Gail and I traveled to Florida to visit with all. On two occasions we went out for dinner. The first at a sports bar. I got to know Lorraine a little better as we sat at the end of the table having a good natter. We talked about whatever and I was left with the impression, here was a young lady who enjoyed the company of others. If I recall we both were the ones who left with a large doggy bag because we talked too much. Knowing the treatments she was going through at the time I would have expected and accepted any and all complaints she might have voiced. The only complaint I remember, however, was at a restaurant we all went to (extended family as well) on the ocean. We were on the patio and it was very windy. A little bit chilly (down right cold) Lorraine voiced her discomfort to the staff and they magically produced blinds to restrain the bluster. That and a jacket and all was well. There are three things I remember about that night, the food, a whole lot more chattering and the sunset over the ocean. Wonderful memories! We are saddened by her passing, she will always be remembered fondly in our hearts. God Bless! All Our Love, Gail and Gord

Lorraine had such a sweet and loving spirit. She was always upbeat, even when she was going through problems. She was a blessing to all who crossed her path.
