Grandma aka: GM never lacked having a funny story to tell. She refreshed me on how to crochet and I was able to make her a blanket that she loved. Her and I grew very close once she moved here to Florida and I have a ton of fun memories of her my favorite was her telling my husband her grandson he picked a good one and he better hold on to me! She loved to watch me cook and looked forward to tasting everything I made! I will miss her so much. God speed GM.
