Jeanne was my fifth grade teacher at Dunedin Elementary back in the fifties. It was an idyllic time filled with learning and fun activities under the caring, watchful eye of our inspiring teacher. I was so happy to see Jeanne again, many years later when I became a teacher, myself, and saw her at teacher trainings. What a treat to reconnect after so many years! I am sad to hear of her passing, but glad that she had the opportunity to spend so many years, giving of herself in such a rewarding and fulfilling way. She had a good life, blessed, and blessing others.

I have so many wonderful memories of Jeanne from the many years we worked together in the Curriculum & Instruction Division of Pinellas County Schools. Jeanne was a practical daily role model for others as she demonstrated honesty, dedication and a pursuit of excellence in all things that she tackled. She sponsored me for membership in the Beta Iota chapter of Delta Kappa Gamma and was a true teacher advocate. She had a real passion for Economic Education and worked hard to make the Pinellas Economic Education Fair one of the best in Florida. May God now envelop Jeanne in his arms and give her everlasting peace. Cathy Fleeger

I am very sad to learn of the passing of a wonderful friend who did so much for the children of the Pinellas County School District. During the 1980s, Jeanne was a strong ally of mine in supporting economic education programs in Pinellas County. She was highly principled, caring and above all, had integrity in everything she did. She was a wonderful friend. God bless her. Dick J. Puglisi
