Dorothy A. Stanek

FEB 27, 1930 - FEB 20, 2018

Dorothy A. Stanek, 87, passed away peacefully February 20, 2018 in Dunedin, FL, following a brief illness. She was born in Chicago, IL, the daughter of Lillian and Eric Sporre, sister of June Moffler (Rudy) and Betty Grady (Bill). Following high school, she became a medical technician. In the 1950's, she moved from the bustling City of Chicago to the rural confines of Cambridge, Wisconsin, where she became an entrepreneur, owning and operating a Country Store. In 1969, she moved to Palm Harbor, FL and returned to working in the medical field. A devoted Christian, she was always helping others. After retiring, she continued to do volunteer work at her church and F.E.A.S.T., a local food pantry. Her family was her greatest pride and joy, and she will be dearly missed by all who knew her. She is survived by her son Paul (Wanda), grandson Steve (Tera), great-granddaughter Zoe, and generations of many nieces and nephews. There will be a Gathering of Friends at 12:30 with a Celebration of Life to begin at 1:00 Tuesday, February 27th, at Moss Feaster Funeral Home in Dunedin. Procession to follow for internment at Sylvan Abbey Memorial Park, Clearwater. The family requests that in lieu of flowers, memorial donations be made to Suncoast Hospice (www.Suncoasthospice.org).

MY AUNT DOROTHYI told Dorothy many times that she was a stable force in my childhood. I came from a family of six children. We were a loud and rambunctious group. Dorothy always welcomed us with open arms, and we knew how much she loved us. When we were children, she would invite my sisters and me to stay with her and her husband for a few weeks in the summer. Coming from the suburbs of Chicago it was a bit of a culture shock to find ourselves in rural Wisconsin. Only fields and cows as far as we could see. We loved it. We loved the big house. We loved working the soda counter in the General Store, taking turns waiting on each other. We loved the peace and calm, but most of all we loved spending time with Dorothy. She in turn seemed to enjoy us too. Dorothy didn't have children of her own at that time. Maybe those summers were practice for her favorite job, being a mom. When Paul came along, it was obvious to everyone how much she loved being a mom. She was a wonderful mom and Paul in turn was a wonderful son. Paul and his family were everything to Dorothy and in return they took such good care of her, as the years went by and the caretaker roles reversed. I am so glad they were there to take care of my Aunt when she needed it. Still Dorothy never forgot about us. She sent us birthday cards until the day she died. I only wish that circumstances would allow me to be with you to celebrate Dorothy's life. Dorothy and her family will certainly be in my thoughts and prayers. Kathy Grady Carlson
