I am so sorry to hear this. Renee was a good friend to me in high school We wanted to go the First Annual Palm Beach Music and Arts Festival, in our junior year. She was so much cooler than me and I couldn't go unless my parents took us. We went, got soaked, sat in mud and I experienced pot for the first time. LOL I will always be grateful for that trip. My brother still remembers how much sugar she put in her tea. Ah, I am so sad that she is gone and I never knew about it. Goodbye Renee, thanks for the memories!

I have known Renee since I was 14 years old when we became best friends, along with three other girls, we have always maintained our friendship. There are so many memories, I could write for days. She had the very best smile and the funniest sense of humor. She brought joy to all who knew her. My deepest sympathy goes out to Wayne and the rest of her family, who I know are missing her deeply. Rest In Peace old friend, I will see you again.

I worked with Renee at MetLife and her sense of humor always brightened a bad day and made work fun. We had a shared love of travel which we talked about a lot. She joked with me about "us northerners" and how we say "you guys" and I told her how I loved hearing her say "y'all". She will be greatly missed and my thoughts are with her family and friends.

I always considered Renee as one of my very best friends-- we grew up together and spent days, nights, weekends at each other's homes. Her loving family treated me as an extended daughter, door always open. I will never forget my BFF or her family and granny too where we spent a lot of time. Renee and I last met up while we worked in Tampa, she made me laugh again ad she still drove barefoot. I love you Renee and cherish the memories I still hold dear. You are now in the comfort of God's Hands. See you on the other side of life my dearest friend...

I worked with Renee for years while at MetLife, and am heartbroken. She was always a bright light and could lift your spirits on the dreariest and most stressful days. So full of life and laughter...I am so sad and will miss her more than I did before. My thoughts and prayers go out to her family and friends

Renee was a true friend in every sense of the word. We met years ago through our work at MetLife and we became immediate friends even though we lived miles apart. She had an amazing heart and the ability to make everyone around her laugh. I feel blessed to have had the honor of being her friend and sharing so many wonderful times. I'll cherish those memories forever. My heart goes out to Wayne and Wayne and Renee's family. I'm sending my thoughts and prayers your way during this very difficult time. May you find comfort knowing Renee touched so many lives in such a wonderful way. Love - Jane
