It is January 2025. I had been looking for Ed and just cam across this memorial. I knew Ed for many years way back when. He was a loving and giving soul. Not many people who are like him in this world. I know Ed is looking down at us and with his serious yet big smile. Ed, I wish that I had the opportunity to thank you for all that you did for us all. Say a prayer for us my frind.

Eddie was like brother to me. It was fortunate for me to meet him when I had just started with ATF. He was my mentor. He was my friend. I hope that I had something to do with getting Eddie to consider ATF. Believe me, ATF was so lucky he made that choice. Maureen and I will miss Eddie.
