Steve....My deepest sympathies to you and your family on the loss of our dear Ginny. She was such a beautiful person and a great friend. I am so thankful for all the years we shared together as co-workers and as friends. She was truly a special person who I will miss dearly. My hope is that she is now in a special place being taken care of like she took care of everyone in her life. The laughs and good times we shared as well as our conversations I will miss, but the memory of our times together will never be forgotten.May God comfort and Bless you my friend.Rosemary Latchford
