Condolences from Bonnie Herman Allshouse and Bill, when aunt Ruthy visited she was funny, and dad talked of her often, now they have fun in heaven.

I was thinking of Aunt Ruthie a few months ago and wanted to phone her, I should not have put it off! Aunt Ruthie was my father, (late) Wilbert Herman, sister. It has been years since we were all in touch. I've spoken to her several times in the past 15 years. She would call me in Richmond, Virginia and New Orleans. She was always a joy to talk with. I am sad for her passing but she will be with her siblings now. Love, Molly Kay (Herman) Brush.

Ruthie was a wonderful friend, we spent the past few years together and I'm very honored to been able to share them with her. She loved when Frankie Valley came to Clearwater for concerts, she would stand up clap and had herself a ball. We talked about everything together, She was amazing!! Love you Ruthie 😊

Aunt Ruthy was one of 13 children, so they all met her, except one , Alice, still here.

I put a post on here but cannot see it. Ruthie was the sister to my (late) father, Wilbert Herman. I was sad to hear of her passing. Has been many years that we saw her. She would visit when we were young children. I talked to her several times right after she moved into assisted living. Would love a contact to her daughters. Sincerely, Molly (Herman) Brush
