I am saddened to hear of Patty's passing. I was fortunate enough to working with Patty in Critical Care and see what an amazing, loving and caring nurse and friend she was. Her smile and laugh are thing I will never forget! The world has lost an angel the day she left us, but I know she is rejoicing! Love and prayers to Bill and family.

Patty is my 3rd cousin on our respective mother's side of our family. While I have not seen Patty in many years, I was shocked yesterday to learn of her passing. May she rest in peace with her beautiful parents, Bill and Gladys Goellner and her brother Michael. I send my deepest condolences to her husband Bill and brother Bill and pray that, in time, your wonderful memories of happier days spent with Patty will bring you comfort.

Learning of Patty's passing was such a blow. I have nothing but fond memories of her and will miss her beautiful smile. When I think of Patty it's always smiling. Bill, you have my deepest sympathy as does her brother Bill and your extended families. I was grateful to be part of her memorial service and fellowship. Thank you for your hospitality. Try to stay strong in these weeks and months to come. I'm sure you will be surrounded by friends and family. Warmest regards, Jo-Ann Benware

Patty was a friend of mine from the GBYWS Book Club and from the BCC niners golf group. She was always kind and had such a sweet nature. I will never forget her humor while sharing her opinion in Book Club. She always had the biggest smile. Patty, you will be missed. Megan was right ,Heaven has another angel.

So sweet. When I think of Patty, that's what comes to mind. As a friend from both GBYWS and the 9-hole golf league at Belleair, I am so sorry about her passing. Heaven has an angel, but we would rather have kept her here on earth.
