My condolences to Dr Milas's family. I'm saddened to learn Dr Milas passed away. She was all 7 of my children's pediatrician from birth until their early teens when we moved out of state. She was an amazing doctor. She always went the extra mile for her patients.

We were saddened to learn that Dr. Milas passed away last year. When we lived in the Feathersound area, Dr. Milas was our first-born's first pediatrician nineteen years ago. After we moved away, we didn't keep in touch though I had once called to plan to drop in one Saturday afternoon, but the office was closed. Our son is now a freshman at UF (and he has a high schooler sibling as well), and we still recall fondly how nice Dr. Milas had been with our baby! May her soul rest in peace.- S Bhat and family
