For the past years I was able to be with her and give her a happy day for her for having her hair done This was a very important day for her all her life .With her husband they love to dance all the time, then they just listen to music .When George was called to heaven I will see her every week and give her a kiss and he was very happy , because she knew it came from George.Rose I ask the Lord to take in peace soon if it was His will , and I'm so glad he did. Rest in peace sweet angel love .Vicente and Jessica
