I am so glad Joanne and I got to visit her awhile back when we were in Florida. We shared some great memories of Lake Panamoka. I know her love of gardening was ever present as was all her memorabilia of "Betty Boop". I also remember her frequent visits to Our Lady in Portugal. Joanne shared many laughs with her as she always had a terrific sense of humor. God Have Mercy and Bless Her Soul. With Deepest Sympathy, Lorraine Persico & Family

Jeannie and family, I know that your Mom had been ill for a while. There is always a special love between a mother and her child. No one is ever prepared for the loss of their mother. She will be a very special guardian angel to watch over you. Praying that the love and memories of friends and family will help you through this most difficult time. Janet DeMatteis
