Jimmy, I knew your mother a long time ago in Arcadia. As I considered Larry to be my best childhood friend, I often wondered about him over the many years, but was saddened to see that he, too, has passed. Having lost my older brother almost 50 years ago, and both my parents last year, I know that life experiences can be complex. Please accept my condolences and prayers for you and your family at this time. Scott C Hassel

Brian, Jimmy, Scotty, Ashleigh: My heart aches for your (our) family. Esther was a shining light for all of us. Her perspective on life and love for all was neverending. Esther's love of her church and family should be an inspiration to all. I will never forget her and the role model I should only hope to achieve. Love to you all-Sandi
