I have a lovely memory of a pool party/barbecue at her home some ten years ago when Rocky was married to my cousin. The whole family was there and it was like being surrounded by love and vitality. She showed me her quilting equipment and gifted me with one of her beautiful quilts. Sympathy to all of you, and Godspeed to Kathryn.

I have GREAT memories of growing up with you and always had respect for each of you. I know that your mother played a huge role in the development of your attributes. I wish you wonderful memories of her. I would love to be at the service, but I am in a wedding in Toronto that weekend. I am sorry that I will not be able to attend. My best to you. What a great woman and mother Mrs Sever was! I can remember always being welcome in her home and what a great sense of humor. She raised 4 boys and daughter to be great athletes and respected in the community. She will be greatly missed by many. May God bless her family and friends as they celebrate her homecoming. Jimmy, your mother was a true Southern Lady and she did a fine job of raising her family. I've had the pleasure of meeting you and your brothers and your sister and I am so impressed by what caring and loving people you all are. I will remember the biscuits and gravy! My Love and Prayers are with the Sever Family.

She was more than my mother-in-law, she was my "Mom" and my friend and I loved her. I will remember always the good times we had, the conversations, lots of laughter and the love. I was very blessed to have her in my life and I will miss her very much.
