Ed, I want you to know that I think of you often, and that you are missed, you were a good man, father , and someone who always put their family before himself. Selfless. Many people didn't get to see the funny Side of you and the loving side . I was personally blessed to be able to witnesses you in these moments. I often say big Ed would of loved this or joke about the funny things you would say . (Nakin) , I don't like people who waste shrimp! Oh joanne!! The little things that made you , you. I was honored to be able to be a part of your family ,and make you a grandpa. I wish I could of had more time with you , but I guess it was your time. It hasn't been a easy road without you , but your children are strong. Your work ethic and drive lives on through your Children. They've been taking care of mom just like you would of wanted them to.
