My beautiful neighbor. Such a kind man. I'm so sorry for your family's loss. I always looked forward to greeting him in the yard, sharing words about the beautiful weather, or growing kids. Always a warm smile or a gentle wave across the street. I respect you Tom, and will miss not greeting you each new day, but will think of you often. May you rest in peace.

For a few years now, my regional visits have brought me to the Homewood Suites a couple of times a year. From my first visit, Tom made a huge impression on me. He was quick to stop me, shake my hand, and pleasantly thank me. He was genuinely happy to be working with us and contributing to making our hotel a great place for people to stay. It was always apparent how much pride he took in his work and how he loved to connect with our team and our guests. I always tried to be sure he knew how much his contribution meant - his smile and humble demeanor was contagious. I'll truly miss seeing Tom when I come to visit. Please know that he is an inspiration for me and our team at the Homewood Suites and Interstate Hotels. He made a huge impact on us and it won't be forgotten.
