Mom words can never express of how you and Dad are missed. Holidays are a time to be with family, you and Dad are in heaven. What I would I give to see you and Dad again for a few minutes. I know you guys are not suffering but it's a real struggle not having you here. Please sending healing touches from heaven to us. I pray very soon, the world will have peace. I love and miss you, Mom....

Mom, there is not a day that doesn't go by I do miss you. My heart still hurts today, because you are gone. I just wanted to pick up the phone and hear your voice again. I know you are in a better place and don't have to deal with this pandemic. My life has a void that can't be filled, other than you. Thank you mom for everything you have done for me! I Love you!
