Norma L. Vollbracht

JAN 16, 1922 - MAR 23, 2019

Norma L. Vollbracht, 97, of Dunedin, Florida, passed away peacefully on March 23, 2019. She grew up on Long Island, New York, married the love of her life, Robert Vollbracht. Together they bore three children and eventually moved off the island to upstate New York where she worked at Suny/Binghamton University in the bakery. In their later years, they fled the cold and snow and moved to sunny Florida. She will be remembered as a warm and loving mother, grandmother and great grandmother, an avid gardener, and great cook. She was always sure to be impeccably dressed, and coifed, caring more about others than herself, putting family and friends first. She is survived by her three children, Barbara Woodward, Kenneth Vollbracht, and Robert Vollbracht Jr., her three grandchildren, Steve Woodward, Nancy Aubin, and Christy Merrick, and her four great grandchildren, Avery Aubin, Aleah Aubin, Parker Merrick, and Madeline Merrick. Norma will be truly missed by all who knew her. She will reside beside her beloved husband at Florida National Cemetery in Bushnell, Florida.

In lieu of flowers, please donate to Suncoast Hospice of North Pinellas.

Nancy Aubin posted:

Spending time with my grandma in New York during the summers really shaped who I am today. She spent time with me playing Yahtzee, teaching me how to garden, and encouraged me to enjoy the outdoors. I will never forget her loving and giving ways and I will always aspire to be more like her.
