My deepest condolences to the family of the most wonderful caring person I got to know while I was staying at my parents house in Regency Heights, Clearwater FL. It was an honor to have known such a great person and I will truly miss him. Bob always helped me when my mother was out of town or even sometimes when she was busy. I'm glad I got to know him over the years. He was my Bingo buddy and I loved helping him when he needed help with something. I will have the wonderful memories of him joining us for holiday dinners at my Moms and dinner and holiday parties at Regency. May fond memories of Bob bring you comfort during this difficult time in your life. Look back on all the good memories you were able to have and smile at the fact that you were able to share these before he passed away. My heart and prayers go out to you and your family. Robin I will miss your Dad.Mimi Malone

My Uncle Bobby....what great memories of him, my dad and Uncle Billy together at our kitchen table. My husband Adam and I overheard many hilarious stories from thier childhood (and so did the surrounding neighbors on a summer night when the windows were open, lol). He could always make me laugh and had a wonderful smile. I will miss talking to you but these memories will stay in my heart forever. XOX, I love you Uncle Bobby.Adam & Tracy (Fillmann) Campola
