I remember your Dad and Mom and what a sweet couple they were. Your Dad so tall and big then your Mom so tiny and sweet. I never really got to know her very well, but what I do know is that she and your dad raised a very loving family. Who in turn have raised a loving and wonderful family. So just imagine the joy and pride they must feel if they can look down together and smile to see their family now. Love you and praying that God brings your family comfort. ❤️
