Dear K.J. Ron and I were organizing many of our old photos. So, that brought to mind you and Bill. When I went on-line wanting to contact you, if possible. I was shocked when I googled Bill's name and the phrase "Bill Kein obituary" came up. It was a very sad day for Ron and me to see this - almost a year ago to this day! I hope this tribute wall is still active. We will never forget all our good times in Steamboat Springs when we were all young and crazy. I'll never forget the picture of little Christopher and Sara, buck naked in the little swimming pool on your back deck. I think Christopher had Sara is a body squeeze if I remember correctly ! We hope you are doing well and the picture of Bill just makes us smile.Love, Jan & Ron

Dear KJ and family,We are so saddened and sorry for your loss. Bill was a class act, and a kind and generous man. We have so many memories of fun times with your family, parties, dinners, golfing, concerts, out on the boat. He always offered his time, his tools, and his advice. We will especially miss drinking good red wine with him, and his sharp wit.Brian, Karen and Kolby

Dear KJ and family: The Dayton family sends our deep sympathy to all of you. We are so saddened by Bill's sudden passing. We have so many great memories of your family as our children were growing up together. One of our favorite thoughts was the neighborhood "half pipe" that Bill helped the children build. There were so many children skating in the neighborhood and Bill was kind enough to coordinate building a skate ramp. Our son Peter had a wonderful time working with Bill in completing the project. Just one example of a big heart... Our thoughts and prayers are with all of you during this difficult time. Ken, Ann, Peter and Huldah
