I'm so sorry for hearing about the loss of Pat. I have been praying for your family 🙏 I worked with Pat for a year and felt very close to her and I know that she is in heaven, because she was a good person and has a beautiful soul! She was a mom, grandma and sister to all of us ❤️ Pat would always talk about her beautiful family and how proud she was of them, especially her grandson, whom she adored and loved with all her heart and soul! ❤️ While driving to or from a job, Pat and I would laugh so hard together about situations, but when it came down to the job, Pat would give it her all and go above and beyond to please everyone, because she cared. Once, there was a decoration on someone's dresser and I said, "what does that say"? Her eyes were wide open as well as her mouth and she said, "please don't tell me you can't read that; look again"! I looked at it again and I saw that it said Jesus. She was so relieved that I was able to see it; that's who Pat was ❤️ I can still hear her say, "get er done" and "I need a cowke (coke)! We Love You and miss you, Pat! ❤️

I am very sorry to hear of your loss. Pat will be greatly missed by many. I worked with Pat for many years, and it was always a joy to be a part of the same team with someone as incredible as Pat. Her heart and soul were dedicated to serving and loving the people around her. She was a caring and gentle person to her very core. Pat was our 'finder of lost items.' If something on the job couldn't be found, we knew to send in Pat! She would put her request in her prayer box, and she always found her way to find what was lost. If you needed a confidant or an extra prayer, Pat was always there for you, Pat was very special to me and so many others who had the privilege to know her. I always felt she had a direct line to God and I knew my concerns would be heard if they were sent by Pat in prayer. May the fond memories of Pat bring you comfort during this time. My deepest sympathies go out to the family. Kammie

Jeane sent a virtual gift in honor of Patricia .

I have known Pat for about 30 years now. Her unwavering faith in the Lord was inspirational. I think we talked about how good God is every time we saw each other. We counted our blessings aloud to one another and openly thanked Jesus out loud. I don't think I ever heard her say a negative word about anything or anyone in all those years. She consistently spoke goodness and blessings over everyone. And willingly prayed for anyone who had needs. I will not only miss our sweet conversations but also her contagious laugh and beautiful smile. I look forward to seeing her kind face again in heaven and I know she will be happy to great each of us when our time to go home comes. Love you, miss you, 😊 (Jeane)
