Bob and I bumped heads sometimes, but we made peace with one another years ago, and I'm sad to see him go. He lived what he believed, and made every day count. Rest in peace, Dad. I'll see you on the other side.

We only knew you all and Bob for a short time but we enjoyed everyone's company. He never gave up but I guess God wanted him to join his wife. He will have to find a new "Bistro" Fondly, Mary and Jose Rodriguez

My dad was a hardworking man who took care of his family and also found time to take care of his church and others. Thank you dad for: a loving mom, a nice home, getting us involved in church, providing for us, finding time for fun activities with your family, for loving us. I love you. John Frazier.
