Rev. Brent Harris posted:

I remember Brother Stephens and his wife as faithful members of the Clearwater Church of God where my father Rev. C.M. Harris was their Pastor for six years. The Stephens family were strong supporters of the Church in attendance and financial support. I can say with great confidence that Bro. Stephens and his wife were role models in my life as a high school student. As the song says; " I can only imagine" the joy that his wife, my parents and so many others experienced as Bro. James came through Heavens Gate. May his spiritual legacy be forever remembered and emulated by his children and those who witnessed his christian faith in action. His family will be in my daily prayers as they grieve the loss of such a wonderful gentleman. Respectfully submitted: Rev. Brent Harris
