There is not a void in my heart because I will always love Pam. The void will be our periodic talks and keeping up with family matters. We are all better people by simply having Pam in our lives. If we live by her example and keep love in our hearts, we'll be much better off as family, friends, and humanitarians.

My sister leaves us a monumental mountain to conquer. She was the ultimate peace maker; her desire was for all to just "get along," and she led by example. We all have a void that has been left by her departure, and we need to fill that void. May the Lord let you rest in peace and grace, Pam and know that your brother will forever miss our Monday chats.

Carol L Orloski lit a candle in honor of Pamela.

My dear friend, my heart is broken. We met as co-workers 32 years ago and quickly became lifelong friends. You were there through the sad times, the happy times, and everything in between. I will miss you every day of my life. Love, Carol and Rich Orloski

Dear Pam, My beautiful, loving friend and sister of my heart. I will miss you always. I will miss your beautiful smile, your laughter, your kindness. It is true, you always wanted everyone to get along. You saw the good in everyone. I will miss our Sunday talks, every week faithfully we talked and ended our conversations with I love you. I was so blessed to have you for 25 years in my life. We shared so much of our lives, ups and downs, you were always there for me caring. I thank God that I had you. You are now our Angel watching over us. I will hear your voice and laughter always. So many memories and stories and I will smile and thank God you were in my life. I love you always my wonderful, beautiful Pam. Love, Marilyn and John Edwards
