I will always remember our family get togethers and Nana making us laugh. She taught my kids to knit and spent a lot of time with my oldest daughter Theresa!! She was extremely proud of all my kids for their accomplishments and their love of art. She prided herself of them taking after her. She was always asking about their artwork and praising them. She was building such a strong relationship with them. My children are devastated as am I that she is gone. We love you you Nana so very much!! You will always be loved and sorely missed!! R.I.P.
