Cheryl Marie McIntosh

MAY 21, 1980 - JAN 15, 2020

Dr. Cheryl McIntosh, loving mother and wife, passed away at age 39. She is survived by her two young children, Jack and Rory and her husband Dave. Cheryl was an amazing soul who made close friends wherever she traveled. She was incredibly bright, smart and talented. She also had tremendous courage and strength and carried herself, even in the face of challenges, with beauty and dignity. It's a phrase that is probably said too often, but Cheryl was an Angel on earth and is gone far too soon. Her family will miss her more than words can ever say.
