This is an absolutely a Beautiful tribute to her life, for Aunt Hazel which is actually to me is great aunt Hazel. I could remember meeting her years ago and she had told me to call her Aunt Hazel, she had left a great impression on me what a strong lady is and still be a beautiful person. I could always remember her smile it gives a joyful heart to know someday we will all be reunited in the Heavenly Kingdom of our Father. Aunt Hazel will be miss here but has been received with open arms of our Father in Heaven.

Aunt Hazel was a very special lady! She always had such a special smile and could light up any room. We have been blessed as Fishers to have such strong female role models as the Fisher sisters! They are our inspiration. You will be missed by so many.

Aunt Hazel was special to me. When I lived in Florida she was like a mom to me. Her and Bob watched over me helped me find a car and were there when Lisa was born. I remember her showing me how to make homemade biscuits. Mine turned out like rocks but hers were yummy. My last visit a few years ago we had wonderful long visits and she shared what a great life she had lived. She had no regrets and she enjoyed it to the fullest. I will miss her and I am sorry I won't be there to share in her celebration of a wonderful life. Thank you so much for the video it is again a picture of a wonderful lady and the great life she had. My love and deepest sympathy for your loss. Kathy Kessel
