I feel so Blessed that God put Jean and Angelo in my life and my wife's life. They are two of the kindest and most humble people I know. I sure am going to miss you Buddy. The good thing is that you are in Heaven with Jesus now and I will get to see you again someday. You and Jean sure helped put thousands of smiles on kids and adults alike at the trains at the Largo Central Railroad. Including my kids and grandkids. You truly were the Greatest Generation. The world could sure use a lot more Jean's and Angelo's right now. Thanks for everything and Love you both. Jon and Peggy Wolf.
