Bob has been my neighbor since 1998, when I moved across the street from his home. I could not have asked for a more excellent neighbor than Bob and Sandy. It was my honor and joy to have many conversations with Bob. When I married in 2010, Sherry my wife, immediately became drawn to Bob and Sandy because they have been the classic neighbors one would want, and Bob and Sherry shared many similar ailments. We knew we could always count on Bob because he was a man after God's heart and represented that virtue in his conversations and actions. We loved Bob and cherished his friendship. To not see him around the house will be a great loss for us, but we look forward to seeing him in Paradise. Our love and condolences to Sandy and the entire Hepp family. Jack & Sherry Soto
