As cousins, I have known Sharon her whole life. I always loved to go for a visit and always had great fun during those times. From when we were little I remember catching fireflies in Rome, GA, to later visiting in Florida and having so much fun swimming and playing Marco Polo in the pool, Sharon was always a great hostess. In later years we would meet and go to Disney or out to eat some wonderful seafood. I will always remember our visit to the Kapok Tree Inn. Sharon was beautiful and so very talented! I was always just a bit envious. As adults she was the absolute best at keeping in touch with everyone and would call to chat or check on Mom regularly. She was truly a very genuine, caring and generous person. One of the last conversations I had with her while she was in the hospital, she was missing Gilbert and couldn't wait to get out of the hospital and go get him. She loved her family, friends, and fur babies deeply! I am happy she is now walking those golden streets of heaven, but will always miss her until we meet again!

Sharon was an amazing Aunt. As kids we spent summers in Clearwater and I'll always remember her taking us to the beaches, picking oranges off the tree in the front yard, and cleaning the fish my grandfather caught. I'm so sad she's gone but so thankful that she is resting and was so loved.

I knew Sharon from Burdines where she worked in the visual dept and then First Baptist SH. Sharon was always so sweet and kind. In a world where you see less and less of that, she really was a ray of sunshine. When her father was alive she talked about him with much love as well as about her son, Chase. Sharon will be missed. I am comforted to know she is in Heaven and living in all the joy and happiness she deserves! Karen Duke

Sharon was really the first person that welcomed Keith and I when we came to FBC Safety Harbor. She was a very kind and friendly person. She was willing to help with anything in the church. Her passion was visual art and she would give wonderful suggestions of decorating the foyer of the church during Christmas. She always wanted to help out and was very giving. I could tell she loved her son very much. She always talked about him and how proud of him she was.I am praying for you,Chase and your family.
