Scott M. Lucas

JUL 21, 1959 - JUL 16, 2020

Scott Michael Lucas passed away peacefully with his loving family on July 16, 2020. He was a husband, father, caregiver and anything else you needed him to be. Scott was born in Connecticut on July 21, 1959. He grew up in South Tampa with his three brothers always finding ways to get in trouble. Scott was a rebel. During his time at Plant High School he left a lasting impression when he rode his motorcycle through the halls before he left. Safe to say he wasn't welcomed back after that. He married his best friend, Carol, on April 14, 1979 in Tampa, Florida. They had two children, Joshua and Samantha. Scott also had a special bond with his grandson, Adrian. They raised a family, but always found time to escape to Daytona Beach together.

He never just liked something, Scott was passionate and put his heart into everything he did. In his retirement, he grew out what he would call his luscious white hair. He enjoyed gardening, working on his growing "honey do" list, and picked up playing guitar. He loved to cook for the family and never knew what a portion size was. Scott was unpredictable and you never knew what he was going to say or do next, but you could always count on him being there for you.

Scott was preceded in death by his two brothers, Michael Lucas and John Lucas. He was also preceded in death by his mother-in-law, brother-in-law and sister-in-law, Florence Emmons, George Emmons and Doreen Schnitt. Scott is survived by his wife of 41 years, Carol Lucas. He will always remain in the hearts of his two children, Joshua Lucas and Samantha Lucas and his grandson, Adrian Lucas. Scott will be remembered by his brother-in-law, Carl Holloway and sister-in-law, Pam Spence, and his many nieces and nephews.

Before Samantha and I were old enough to drive/had our own cars, Scott would not only take us to EVERY midnight premier of the Twilight saga movies in theatres, but he would stay and watch them with us. Poor guy! Every DVD release? There with us too! Being our own personal paparazzi! He had to put up with so much fangirling through those years, you have to have a heart of gold to be able to have put up with it! As the years go on he would also take us or pick us up from pretty much every concert we would go to. At that time of our lives we were going to concerts pretty much every other weekend! He was a special kind of man. Forever grateful to have known him. He will be missed every day, not only by his family but by friends he made feel like family. I love you Lucas family.

While I never met Scott, my son, Tim Rochelle was engaged to his daughter Samantha Lucas. Tim spoke VERY highly of Scott and Samantha frequently shared stories about her dad that I felt like I knew him. I could tell he was loved by all who had the privilege of knowing him. His memory will live on forever in the hearts of those who knew him.
